Group Accident Insurance

How does it work?

Accident Insurance provides a set benefit amount based on the type of injury you have and the type of treatment you need. It covers accidents that occur on and off the job. And it includes a range of incidents, from common injuries to more serious events.

Why is this coverage so valuable?

It can help you with out-of-pocket costs that your medical plan doesn't cover, like co-pays and deductibles. You'll have base coverage without medical underwriting. The cost is conveniently deducted from your paycheck. You can keep your coverage if you change jobs or retire. You'll be billed directly.

Who can get coverage?

You	If you're actively at work*
Your spouse	Can get coverage as long as you have purchased coverage for yourself.
Your children	Dependent children from birth until their 26th birthday, regardless of marital or student status.

*Employees must be legally authorized to work in the United States and actively working at a U.S. location to receive coverage. See Schedule of benefits for a complete listing of what is covered.

How much does it cost?

Your monthly premium	
You	\$14.53
You and your spouse	\$23.56
You and your children	\$26.91
Family	\$35.94

What's included?

- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes

Premium Payments

Premiums must be paid to us in United States Dollars and are due on or before their due date. If we do not receive premium payment on the Premium Due Date, we will provide the Policyholder Written notice to advise Premium Payments must be made by the last day of the Grace Period, otherwise the Policy will end.

The amount of Premium due on any Premium Due Date is calculated by using the total amount of insurance provided by this Policy on such date, multiplied by the applicable rates in effect, subject to any Premium Adjustments.

The rates and Premium Due Dates are stated in the Rate Schedule and have been agreed to by us and the Policyholder. We may use any reasonable method to calculate Premium due using the rates.

Premium Adjustments

Premium adjustments resulting from changes made in insurance after a Premium Due Date are due on the Premium Due Date following the effective date of the change. Changes will not be pro-rated daily.

Premium Due Dates that do not occur on a monthly basis will result in a monthly pro-rated adjustment due on the next Premium Due Date.

Premium adjustments will only be made for the current Policy Year and the prior Policy Year. In the event of Fraud, premium adjustments will be made for all Policy Years.

Grace Period

The Grace Period is 31 days following a Premium Due Date during which a premium payment may be made. The Policyholder is liable for all premium due during the Grace Period. During the Grace Period this Policy will remain in force, unless we have received Written notice from the Policyholder to cancel this Policy.

Right to Change Rates

We will not change rates before the later of the first Policy Anniversary or the end of any Rate Guarantee Period as stated in the Rate Schedule. However, if changes occur for reasons which affect the risk assumed for the insurance we are providing under this Policy, we can change the rates at any time. These reasons include, but are not limited to:

- a change occurs in this Policy design;
- a division, subsidiary, or affiliated company is added or deleted;
- the number of Insureds changes by 25% or more; or
- a change in federal or state law, regulation, or regulatory process that substantially impacts this Policy, the benefits payable, or the risk insured.

Filing a Claim

We encourage early notification of a claim for benefits under this certificate so that a claim decision can be made in a timely manner. If there are any questions on how to file a claim, please contact us or your Employer.

Step 1 - Starting a Claim

Notice of a claim may be provided in Writing, online at: services.unum.com, or by contacting us directly at 1-800-858-6843. Notice of a claim should be provided within 30 days from the date of the Covered Loss, or as soon as reasonably possible.

Step 2 - Claim Forms

After receiving notice of a claim, we will send a claim form to you or your authorized representative within 15 days from the date we receive the notice of a claim. Claim forms may also be available from your Employer or from us online at: services.unum.com.

When you or your authorized representative receive the claim form, you or your authorized representative must fill out your own section of the claim form and provide the Insured's Physician with the applicable section of the claim form. The Insured's Physician should complete their section of the form and send it directly to us.

If you or your authorized representative do not receive a claim form from us within 15 days after we receive notice of a claim, a Written statement from you or your authorized representative as to the nature and extent of the Covered Loss will be deemed Proof of Loss, if sent to us within the time limit stated in the Proof of Loss section below.

Completed claim forms may be sent to us by mail or fax:

Mailing Address: The Benefits Center
P.O. Box 100158
Columbia, South Carolina 29202-3158
Fax: 1-800-447-2498

Step 3 - Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the date of Covered Loss. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless the Insured lacks the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss, provided at your or your authorized representative's expense, must establish the nature and extent of the Covered Loss and should include but not be limited to the following:

- the cause of death or Covered Loss;
- the extent of the Covered Loss;
- the date of Covered Loss;
- the name and address of any Hospital or institution where treatment was received, including all attending Physicians; and
- in case of death, a certified copy of the death certificate or other lawful evidence providing equivalent information.

If the Proof of Loss is not complete, we will request additional information.

Authorization for Release of Information

We may request Written authorization from an Insured. This authorization may be required in order for us to obtain the necessary medical and non-medical information needed for Proof of Loss. This information may include any appropriate financial records such as income tax returns. Failure to provide us with Written authorization may result in the denial of a claim if the Insured does not send proof to us and we are not able to obtain the proof that is required to make a claim decision.

Right to Exam, Test, or Interview

We may ask the Insured to be examined or tested by one or more Physicians, other medical practitioners, or vocational experts of our choice. We may also require the Insured to be interviewed by an authorized representative of ours.

We have the right to request exams or tests as often as it is reasonably necessary. Any exam, test, or interview that we require will be paid at our expense. If the Insured fails to attend or fully participate, we will not pay the benefits or we will stop sending benefits under this certificate.

Autopsy

We will have the right to request an Autopsy where it is allowed by law.

Claim Procedures

After the Insured has satisfied the requirements under Filing a Claim, we will process and evaluate the information to determine if a claim is payable. We will notify the Insured of a claim decision and issue payment for a Payable Claim within 45 days. Benefits will be paid in accordance with the Payment of Benefits provision.

If we determine additional time is needed to review a claim, we may extend this time period by 30 days. We will notify the Insured of the circumstances requiring a review extension and when we anticipate making a claim decision.

If a claim for benefits under this certificate is wholly or partially denied, we will provide notice of our decision in Writing. The notice will contain the following information:

- the specific reason(s) for the determination with reference to those provisions on which the decision is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary;
- procedures and time limits for appealing our decision, and the Insured's right to obtain information about those procedures; and
- a statement disclosing any internal rule, guidelines, protocol, or similar criteria used in making the decision (or a statement that such information will be provided free of charge upon request).

Payment of Benefits

Benefits for which we are liable will be paid after we complete the Claim Procedures. All benefits will be paid to you, unless we receive Written authorization to pay them elsewhere. This is an assignment of benefits.

In the event of your death, any unpaid benefits will be paid to your beneficiary in accordance with the Beneficiary Designation and Change provision.

In the event of your Spouse's death, should your Spouse have survived you and continued coverage, any unpaid benefits for your Spouse, will be paid to your surviving Spouse's beneficiary in accordance with the Beneficiary Designation and Change provision.

Beneficiary Designation and Change

When a person becomes insured under this certificate, the Insured is responsible for designating a beneficiary in Writing for any benefits due in the event of the Insured's death. It is important to list the full name of each beneficiary and that all beneficiary designations are kept current and provided to us or the Employer. A beneficiary designation form may be available from the Employer or from us online at: services.unum.com.

You are the Beneficiary for any Insured under this certificate while you are still living unless there is a valid change in beneficiary designation by an Insured. If an Insured wishes to change their beneficiary designation, they may do so by sending us or the Employer a completed, dated, and signed beneficiary designation change form. Changes in beneficiary designations will take effect on the date notice of the beneficiary designation is signed by the Insured.

Payment of Benefits will be administered based upon the currently available beneficiary designation on file with us or the Employer. If we have taken any action or made any payment before receiving notice of a beneficiary designation, that beneficiary designation

Claim Provisions

will not go into effect for those actions taken or payments made.

If more than one beneficiary is named and the order or share of payments is not designated, the beneficiaries will share equally. The share of a beneficiary who dies before an Insured, the share of a beneficiary who is legally unable to receive benefits, or the share of benefits that are unallocated will pass to any surviving beneficiaries in proportion to their current allocations. The aggregated shares of benefits in excess of 100% will be deducted from surviving beneficiaries in proportion to their current allocations.

If a beneficiary is not named, or if all named beneficiaries do not survive the Insured, or the named beneficiary is legally unable to receive benefits, any benefits due will be paid to the first surviving family member in the order that follows:

- you;
- the Insured's Spouse;
- the Insured's natural offspring and legally adopted children in equal shares;
- the Insured's mother or father in equal shares, if paying both; or
- the Insured's sisters and brothers in equal shares.
